Achievements of IIFT

1441. SHRI V. RAJESHWAR RAO
DR. SHRIKANT RAMCHANDRA JICHKAR:

Will the Minister of COMMERCE be pleased to state:

(a) what are recent achievements of the Indian Institute of Foreign Trade;

(b) the research projects which they have taken in hand;

(c) what are the programmes which they have undertaken recently; and

(d) what steps will be taken to make the functioning of the Institute better?

THE MINISTER OF STATE OF THE MINISTRY OF COMMERCE (SHRI BOLLA BULI RAMAIAH): (a) The Indian Institute of Foreign Trade (IIFT) is increasingly focussing its attention on functional and policy research, consistent with the needs of the Government and Corporate Sector in the post reforms period. Recently the Institute has undertaken some useful studies. These include: (i) Policy Impediments to Trade and FDI in India—A Multi Country-cum-Multi Institutional study involving various reputed research institutions of India and USA, (ii) Analytical Studies on Export Import Policies for the 9th Five Year Plan, (iii) Studies on issues relating to W.T.O., (iv) Study and Seminar on Export of Technology in collaboration with the Department of Scientific and Industrial Research (v) Occasional Papers on Current Topics related to International Trade, (vi) Publication of World Trade Scanner—a fortnightly journal on Global Developments influencing India's foreign trade, in collaboration with World Trade Centre, Bombay and Academy of Business Studies, New Delhi.

The recommendations/conclusions of the above studies and seminars have been quite useful for India's international trade sector.

(b) The research studies sponsored by various Govt, agencies, undertaken by the Institute are: Export Potential Survey of Tripura, Supply Base and External Market Opportunities for Non-conventional Technology Based consultancy Services from India's Export Performance in the Context of Gobal Development, Study on External Trade Procedures and Regulations, Market Survey for Andhra Pradesh State Trading Corpn., Study on the Implications of EU,s GSP Scheme on India's Agricultural Export, Study on Trade and Investment Opportunities in Oman, Cooperation in Import Procurement in SAARC, Export Potential Survey of North-Eastern Region, Export market Strategy for Select Handicrafts, Export Potential Survey of Punjab, Export Potential Survey of Maharashtra, Study on Boosting India's Exports to US $ 100 EN by 2000 AD, Market Survey on Marine Products in Select Middle East Countries, Perspective Plan for Export for TRIFED, Desk based Study on Jute Products, Study on Likely Impact on Trade Liberalisation on Select SSI Products, Export Potential Survey on J & K, Study on Formation of Overseas Joint Ventures with Foreign Contractors, setting up Trade Related Joint Ventures by Indian firms in Bangladesh, Study on Cash Benefit Analysis of Insuring Govt. Imports and Follow-up Study on External Trade and Procedures and Regulations-Scope for Simplification.

(c) The Institute has undertaken its regular foundational programmes namely: Masters Programme in International Business, Tost Graduate Diploma in International Trade, Executive Masters in International Trade, Certificate Course in Export Marketing, Certificate Course in Shipping and Documentation for Foreign Trade Managers and Certificate Course in International Business Languages.

Besides this, the Institute also conducted 20 regular programmes, 36 sponsored programmes, 3 seminars and a certificate course in Shipping (evening) under the category of Management Development programmes.

(d) In order to make the functioning of the institute better, a Committee under the Chairmanship of Vice-Chairman of IIFT has been constituted which would undertake a quality audit and prepare a vision for the Institute for the year 2000. The Committee in its recommendations would suggest the steps required to be taken to further improve the functioning of the Institute.
